Reply to Non-Final Office Action of Aug. 3, 2009

This response is in reply to the non-final office action of Aug. 3, 2009 (the "office action"), issued in regard to U.S. Patent Application No. 10/628,082 (the "subject application"). Applicants do not believe any extension of time is necessary because this response is filed within the shortened three-month statutory period. However, Applicants conditionally petition for any additional extensions of time that may be necessary to provide for the possibility that the need for such a petition has been inadvertently overlooked. As provided below, please charge any required fees or credit any overpayments to Deposit Account No. 50-2324.

Applicants appreciate the Examiner's thorough examination of the subject application and request reexamination and reconsideration of the subject application in view of the following:
